

Great Plains Folk Festival in HIST 431

We have no exams in this course--but we're required to do something during the scheduled final exam period. So we try to make it fun. Our activity during this period is the Great Plains Folk Festival. The festival comprises several elements.

1. A Great Plains photo contest, drawing on fieldwork assignments, with cool prizes.
2. The serving of heritage foods brought by students completing the heritage food project.
3. Other stuff yet to be dreamed up.

Reasons Why You Want to Attend the Great Plains Folk Festival

1. There will be food.
2. You need to exhibit your photo(s), and talk with people who view them.
3. You can record attendance points for coming, and participation points for participating.
4. There will be prizes, conferred by vote of those in attendance.
